## Principal's foreword

### Introduction

Welcome to Jericho State School. The SAR allows us to showcase our amazing school, the dedication of our teaching and support staff, the excellence of our students and the commitment of our parents. All of these points provide a warm and supportive environment for children to learn and reach their potential.

It is the intent of this Annual Report to provide a snapshot of Jericho State School during 2014. The report will outline a number of key indicators of progress and important school data, specifically:

- Progress made towards the school's previously identified goals throughout the year
- Focus areas for future school improvement
- A general school profile
- Student attendance and disciplinary data
- Our school's distinctive curriculum offerings
- Information extracted from the staff, student and parent School Opinion Survey
- School achievement data from national testing

This School Annual Report for Jericho State School can be accessed on our website or via hard copy available from the school's office.

### School progress towards its goals in 2014

The priorities for Jericho State School 2014s AIP were:

- Reading: All children from Years 2 to 7 engaged in NAPLAN trial tests; data collected to inform and promote teaching and learning; sound relevant gain achieved; this priority is ongoing. Continued use of PATR to track growth and cater for ongoing learning.
- Writing: All children from Years 2 to 7 engaged in NAPLAN trial tests; data collected to inform and promote teaching and learning; sound relevant gain achieved; this priority is ongoing. Implementation of the 'The Writing Book' across all year levels is being continued.
- Numeracy: All children from Years 2 to 7 engaged in NAPLAN trial tests; data collected to inform and promote teaching and learning; sound relevant gain achieved; this priority is ongoing. Continued use of PATM to track growth and cater for ongoing learning for years 1 – 7.
- Science: Audit of equipment and professional development for teaching staff is ongoing.

- Attainment: Ongoing collaboration with the Outback Advantage Cluster to construct meaningful, differentiated and succinct units of learning is ongoing. Moderation within the cluster is term based and ongoing. Five week data grabs for tracking attainment is ongoing.
- Transition: Year 7 children were engaged in a fortnightly transition program for semester 2, this program was facilitated by Barcaldine State School, and is ongoing.
- Closing the Gap: Ongoing, dependent on enrolment.
- Explicit Instruction: Corner-stone pedagogy for Central Queensland Region; in-school P.D. with all teaching staff completed; teacher and Principal/teacher attended professional development in Brisbane with Anita Archer; ongoing development for 2015.
- ACARA: All teaching and learning is clearly linked to ACARA; ongoing.
- English: All children from Years 2 to 7 engaged in NAPLAN trial tests; data collected to inform and promote teaching and learning; sound relevant gain achieved; this priority is ongoing. Development of whole school document carried forward 2015.
- Developing Professional Performance: Process is ongoing for all staff, it is an annual requirement.
- Methodology: Continued investigation and implementation of other teaching and learning strategies, whilst maintaining our corner-stone pedagogy of Explicit Instruction.
- Review of Strategic Documents: Ongoing task, key documents are reviewed and adjusted.
- Assets: Asset register is managed and maintained, ongoing practice.

### Future outlook

Jericho State School's Explicit Improvement Agenda will focus on the following Key Priorities during 2015.

Improvement in Literacy and Numeracy for all students – all students in Year 3 performing at or above the National Average and all students post Year 3 improving at a rate greater than the Nation with 50% of students in years 3 & 5 performing in the Upper 2 Bands.

Achievement of a C or better in English, Maths and Science – all students achieve C+ or better with 50% of students achieving an A or B standard.

Improvement in knowledge and application of number facts for all students – all students to demonstrate improved results in their application of number facts, with 50% of each cohort operating in the U2B and achieving an A or B standard in mathematics.

Improvement in writing response to stimuli against NAPLAN marking criteria- all students in Year 3 performing at or above the National Average and all students post Year 3 improving at a rate greater than that of the nation with 50% of students in years 3 & 5 performing in the Upper 2 Bands.

## Our school at a glance

### School Profile

**Coeducational or single sex:** Coeducational

**Year levels offered in 2014:** Prep Year - Year 7

**Total student enrolments for this school:**

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2012	14	9	5	80%
2013	13	8	5	93%
2014	19	8	11	75%

Student counts are based on the Census (August) enrolment collection.

### Characteristics of the student body:

The students at Jericho State School are from a small rural community/rural background. Our small school provides scope for all children to learn and socialise together, according to curriculum demands. It also caters for a broad spectrum of leadership opportunities.

We have two central learning areas: P – 2 and 3 – 7, these groups assist with the successful implementation of a multiage curriculum.

Employment for families is largely based on services within the community and laboring on surrounding properties.

### Average class sizes

Phase	Average Class Size		
	2012	2013	2014
Prep – Year 3	3	5	10
Year 4 – Year 7 Primary	2	9	10
Year 7 Secondary – Year 10			
Year 11 – Year 12			

### School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2012	2013	2014*
Short Suspensions - 1 to 5 days	0	0	0
Long Suspensions - 6 to 20 days	0	0	0
Exclusions <sup>#</sup>	0	0	0
Cancellations of Enrolment	0	0	0

<sup>#</sup> Exclusion is an abbreviated title which reflects suspensions with recommendations for exclusion, which may result in an exclusion or be set aside through an appeals process.

\* Caution should be used when comparing 2014 data with previous years SDA data as amendments to the disciplinary provisions in the Education

(General Provisions) Act 2006, passed in late 2013, created a time series break.

## Curriculum offerings

### Our distinctive curriculum offerings

Our curriculum for years Prep to 7 is grounded in the Australian Curriculum, Assessment and Reporting Authority (ACARA). Our local cluster of small schools, Outback Advantage, have written units in English and Mathematics, to meet the diverse needs of teaching and learning within the multi-age setting. We also adapted C2C and DDSS units to cover the entire range of required KLAs. The curriculum is rigorous, well planned and implemented using Explicit Instruction or other suitable pedagogies. The distinctive features within this design are:-

- Units of work are based on ACARA achievement standards.
- Units are multi-aged and adapted to meet the diverse learning needs of the children within the cohort or subject area. e.g. Prep Units, Prep – 2 Units, Year 1 & 2 Units, Year 3 & 4 Units, Year 5 – 7 Units or Year 3 – 7 Units.
- Our programming provides scope for every child's learning needs to be addressed, either through extension, consolidating or individual curriculum plans.
- We have an established learning support program, which aims at early identification and intervention for learners. We work closely with the HOSES of Barcaldine State School to provide quality programs and outcomes for our students.
- Students major assessments are mapped on the Outback Advantage Assessment Framework which offers Benchmarks for all grade levels. Regular in school and cluster moderation processes take place to enhance student outcomes.

### Extra curricula activities

- Jericho State School leads the ANZAC Day march and participates in the annual commemorative service.
- We gather with other small schools within the Outback Advantage cluster, as well as home-schooled and distant education students, for the annual Windorah Sports Camp.
- Jericho S.S. combines with Alpha S.S. for swimming and athletics carnivals, as well as district representations.

### How Information and Communication Technologies are used to assist learning

Jericho State School uses Information and Communication Technologies (ICTs) as a tool to learn, demonstrate learning (assessment) and consolidate learning. We have a bank of desktop computers, as well as iPADS and interactive whiteboards.

Students from all year levels are able to adequately access and work with ICTs throughout the day. Continued integration is planned for 2015, as specific APPs are introduced to enhance curriculum demands.

## Social Climate

Jericho State School offers a supportive and safe environment for all children to learn and socialise. Our behaviour management is based on the School Wide Positive Behaviour program (SWPBS), which has its foundations on identifying negative behaviours and teaching positive replacement behaviours.

Jericho State School has a Chaplain who works within the school 2 days per week. Our Chaplain is actively engaged in a supportive role during teaching/learning; he actively participates in playtime sessions, all areas of the playground, which allows for relationship building and personal support if required; he runs 'Kids Club' during Term 1; encourages participants in Cattle Judging and takes them to the Show events; he also actively engages in any a camp or extra-curricular activity for both school, parents and the community. Our Chaplain is also available for counselling, which includes children (with permission from parents), parents and the greater community.

Staff and children indicate, through the School Opinion Survey, that they enjoy working and learning at our school; that it is a safe place to be; that they are getting a good education with quality feedback. All parents that responded to the survey stated that their child likes being at Jericho S.S. and feels safe.

### Involving parents in their child's education

At Jericho S.S. parents are invited to become actively engaged in their child's learning by: attending parent/teacher interviews; requesting other formal/informal meetings when learning needs occur; nominate as classroom helpers, working to a timetable and with teacher direction; supporting their child through the homework process; and keeping the lines of communication open for free and honest discussion with teachers.

### Reducing the school's environmental footprint

During 2013 – 2014 Jericho S.S. had extensive solar panels placed on the schools roof, this greatly reduced our electricity usage. Jericho S.S. also utilises rainwater tanks and a timed watering system to manage gardens and lawns, and limit the use of water wastage.

Years	Environmental footprint indicators	
	Electricity kWh	Water kL
2011-2012	19,698	5,231
2012-2013	16,258	2,469
2013-2014	8,270	0

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DETE policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

In cases of non-attendance at Jericho S.S., parents are contacted (personally or phone call) to ascertain reason for absence; attendance letters are provided to highlight individual child's absence and what absenteeism means to ongoing learning; rolls are recorded electronically and reasons for absences are recorded; contact with parents are recorded if school needs to locate a child due to unexplained absence; exemptions for absence may be provided if application is made to the Principal; days of absence, other than those provided with an exemption, are recorded on semester reports.
